**DEFINITION OF LIFT AND LOAD:** Bonds Industries have appointed their preferred Crane and Rigging Contractor to remove and lift all equipment / items from the current situation onto the Purchaser's Truck at the Bonds Site. Francrane have considerable experience at the Bonds site in past equipment installations. The **Lift and Load** price shown for each item in this spread sheet is the amount that will be added to the successful Tender Bid Price on the purchaser's Sale Invoice. This charge will be for lifting and loading the machine or item from its current location onto the purchaser's truck or vehicle at the Bonds site. Where the machine is large and requires more than one lift, the total lift and load price is indicated. The Lift and Load cost **does not** include any dismantling or engineering related decommissioning costs. Bond's Technical Staff will disconnect any power, water, gas or steam utilities from each machine as necessary, at no charge to the purchaser. There will be an additional 11% GST inclusive Processing fee added to the Lift and Load Cost indicated.
